(Your File Nos. 1347615

I beg to acknowledge the receipt of your letter of the 21st instant in which you request information regarding Herschell Roy Wright, who is reported to have left the above-described land which he holds under homestead and soldier grant entries.

According to our records, Mr. Wright left his farm early in July 1922. Itwas expected that he would return in the fall of 1922, or at any rate not later than the spring of 1923. He has failed to do so, however, and the Board has been unable to get into communication with him. At one time it was reported that he was residing at Red Willow, Alberta, and subsequently information was received to the effect that he was working north of Edmonton, but the various communications which were addressed to him by the Board at these points elicited no reply.

The Board advanced approximately $1600.00 on this settler's behalf for permanent improvements and stock and equipment, and in order to protect its interests the Board has been compelled to place the case in adjustment. If Mr. Wright does not resume his farming operations, or does not arrange to repay his indebtedness within a reasonable time, it will be necessary for the Board to obtain a Vesting Order covering the land. For the Board's information in dealing with this matter, it would be appreciated if you would advise me whether or not Mr. Wright has completed the duties required of him in connection with his homestead and whether the Board's charge is the only condition which prevents the issue of patent therefor.

Yours truly,

Secretary.

Dear Sir:

RE: N.E. 18-34-10-W.4th M.

I have your letter of the 17th instant, and in reply I am to state that patent for your pre-emption, the N.E. 18-34-10-W.4th M. bearing date of the 29th May, 1918, issued in your favour. In view of the fact that such patent has issued the control of this parcel of land has passed out of the hands of this Department who now has no further interest in same.

In view of the fact that the payments for a pre-emption are statutory it is impossible to consider the refunding of the amount paid on account of the purchase price.

The question of old age pensions is a provincial matter and in this connection I would suggest that you communicate with the Old Age Pensions Department at Edmonton, Alberta.

Yours very truly,

I tried to break with green steers but couldn't on account of the heat and flies. I haven't the money to buy lumber to build with just at present as I put all my money into horses to break with, and intend to break 15 or 20 acres this year and fence 10 acres. Dear Sir:

RE: S.W. 16-62-19-W.4th M.
Henry Gedischk.
Your Ref. - 55253.

I have your letter of the 10th instant and in reply I am to state that when making application for patent for his homestead, the land mentioned at the head of my letter, on the 17th August, 1929, Henry Gedischk stated that he was 25 years of age and claimed that he was a British subject by virtue of his father's naturalization.

In check ng the papers relating to the father's homestead, the S. . 13-56-21-W.4th M. it was noted that patent for this parcel of land issued in favour of Edward Jadischke. In support of his application for patent executed on the 31st July, 1919, he furnished a Certificate of Naturalization dated the 25th April, 1914. This document was returned to him on the 24th April, 1920, to Bruderheim P.O., Alberta.

In view of the difference in the spelling of the father and son's name the son on the 14th May, 1930, furnished a Statutory Declaration to the effect that his father's name was Edward Gedischk and not Edward Jadischke.

Yours very truly,

With reference to your enquiry of June 15th, I may say that the wrong land appears to have been mentioned by this applicant, as I have no record of any entry for this land.

Possibly if I had his first name and the approximate date of entry, some particulars might be located.

He furnished a declaration dated March 27th, 1930, to the effect that his correct name was Edward Jadishke. In his sworn statement dated July 31st, 1919, he declared that he was 48 years of age. Reference No. 167775.

Sir,-

N.E. ¼ Sec. 22 Tp. 55 Rge. 14 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1915, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

I beg to report having visited the above mentioned land and interviewed Thos. [illegible] Hunton re seed grain liens registered in his name against the [illegible] 9-5-16-W. 4th M.

Mr. Hunton says that at the time he received the seed grain he was associated with Mr. [illegible] Wood who held the above land under contract from the owner Mr. Rhode and paid Mr. Rhode $300 which was used in making the first payment upon the land. He had no written agreement with Mr. Wood and dropped the land in 1915. Mr. Wood afterward giving up his contract. Mr. Hunton, therefore, had no registered equity at any time but since that time leased the land from Mr. Rhode for a term of five years.

Regarding the crop which was grown on the land in 1915, Mr. Hunton declares that Mr. Rhode received either one third or one half of the same.

We have your letter of Dec. 15th and have discussed its contents with our client, who advises us that this land was sold by him to one Henry Wood, who, in turn, sold part of it to T. F.

Our client states, however, that the agreement between himself and Wood was terminated, and a quitclaim given by Wood either in the year 1913 or 1914.

Dear Sir:

Re Section 9-6-16 W 4th M

In your letter of Dec. 15th you advised us that your investigation showed that T. F. Bunton who incurred the seed grain lien indebtedness against this land appeared to have some interest in it and that Mr. Ernest Rohde, the owner of the land, received part of the crop grown on the land in the year 1915. Rohde sold this land in 1909 to Mr. Henry Woods of the town of Warner, and apparently Woods re-sold part of theland to Bunton. In October, 1913 Woods surrendered all interest in this land to Rohdes and executed a quit claim deed. Any interest, therefore, that Bunton had in the land terminated at that time, together with the interest of Woods and you will, therefore, see that these liens are not properly registered against this land.

For your convenience and information we enclose herewith original agreement between Rohde and Woods dated April 16, 1909, and quit claim deed Woods to Rohde dated Oct. 16, 1913.

Upon examining these documents please return them to us.

Gentlemen,-

Your ref. 6618.

I beg to acknowledge the receipt of your letter of the 11th ultimo, with accompanying Agreement of Sale between Ernest Ashie and Henry Woods, dated 16th April, 1909, also Quit Claim Deed dated 16th October, 1915. In this connection I would refer you to your letter of 10th January last in which you stated that your client advised you that this was sold by him to Henry Woods who in turn sold part of it to T.F. Bunton, thus the chain of evidence linking up T.F. Bunton as to when his connection with the land ceased is not therefore complete and I might add that the investigation made by the Department showed that Bunton raised a crop on this land in 1915 from the Seed Grain advanced to him by this Department on the security of the same, Mr. Ashie receiving either one-third or one-half of the crop grown.

Mr. Bunton's presence on the land in 1916 consequently remains to be explained as there is no evidence submitted by you that carries beyond 1915 although it is admitted that Mr. Woods sold to Mr. Bunton.

The complete evidence has now been submitted, first - in the proceedings of sale between Ernest Rohde and Henry Wood dated 25th April, 1910, with agreement terminated in favor Wood dated [illegible] claim deed or [illegible] 1912 also attached; - second - farm lease between E. Rohde, lessor and Thomas F. Bunton, lessee, for a term of five years dated 1st March, 1915.

In weighing the evidence, first with Mr. Cuttle's report [illegible] afterwards with the documentary proof submitted, it will be noted Bunton could not - as represented by him - have been associated with Wood in 1915 in any agreement of sale from Rohde, as Wood's agreement terminated in 1912 and his lease in 1913. Therefore, if Bunton had any equity through Wood it was [illegible] 1913 and would have automatically [illegible] view that in the [illegible] deed executed to Wood.

It is of special interest to note that under the terms of the lease the lessee agreed to crop at his own expense and deliver at rent one-fifth or one-third of the crop as specified in each year. The contribution made from the crop in 1911 would therefore have been in accordance with the agreement without in any way seeming to obliterate the owner, E. Rohde, whose property Bunter gave as security for the liens.

The observation might be made that the grant has granted Thomas F. Bunton extension of time for repayment of the outstanding indebtedness until 21st November next, and I would suggest that the grant be interpreted by Mr. Bunton's crop. An advance be obtained from Mr. Bunton of a substantial payment on account.

A historical Abstract of Title dated 24th November 1920 shows that at the time the liens in question were registered Title to the land stood in the name of Earnest Rohde, to whom the land was granted - transfer of the Title afterward be registered to Andrew Fisk on 4th October, 1921.

With reference to Homestead Inspector Wilcox's report forwarded through your office under date of December 3rd last, in which he advises in connection with the above described half-section, that T. F. Bunton is in residence, but not at home, and that the half-section is all under summer fallow ready for seeding in the spring, I beg to advise you that it has been decided, in view of representations made by the Law Firm of Messrs. Bellachey, Burnet & Spenkie last year, that the liens in question are not a correct charge against this half-section, and endeavours have been made to collect the account from Bunton's farming operations on the E-4-[illegible]-16-W.4th. A seizure was made on the 1924 crop realizing the sum of $266.05, which was credited to the account, and the lienor promised to remit the balance due this fall.

The Homestead Inspector's information that Thomas F. Bunton is residing on the W. of 9, is, therefore, not understood, and I would request that you kindly advise him further in this matter and ask him to kindly endeavour to locate the lienor, personally effect collection, and if unsuccessful forward a report in connection with his farming operations on the E-4.

Dear Sir;

--RE: [illegible]-9-5-16--4th. --

We have your letter of June 4th and we are afraid that this year's crop will not be any larger than last year's and that it is useless to delay further the determination of the issue between Rohde and yourself in the hope that a bountiful crop will solve the situation. From the evidence already submitted you will be able to appreciate the claim made by Rohde that the liens are improperly registered against this land. We should be glad now if you would investigate the claim of our client on its merits and let us have your decision. Our client is suffering serious loss by the continuance of the liens.

making payment to [illegible] gave Rohde one-half or one-third of the crop.

An Historical Abstract of Title dated under date of November 14th, 1922, and attached to file hereunder shows that at the time the Liens in question were registered title stood in the name of Earnest Rohde and that a transfer was made to Augusta Fisk on October 5th, 1922.

In view of the report forwarded through Mr. Cattle in which Bunton claimed an equity in the land, Messrs. Ballachey, Burnet and Spankie were at that time requested to forward documentary evidence in support of their contention that the Liens were not a correct charge and they at that time forwarded a copy of the Agreement of Sale between Earnest Rohde and Henry Wood dated April 16th, 1909, which was terminated on October 16th, 1913, by a Quit Claim Deed from Wood to Rohde. This Quit Claim Deed was also forwarded. Furthermore it was accompanied by a farm lease between E. Rohde and Thomas F. Bunton for a term of five years and dated March 1st, 1913.

From this evidence it was deduced that Bunton could not as represented by him have been associated with Wood in 1915 in any agreement of Sale from Rohde as Woods' agreement had been terminated in 1913, and the only equity held by Bunton was as lessee from March 1st, 1913.

This case was at that time submitted and the Financial Controller's recommendation of September 14th, 1924, to the effect that Mr. Cattle be authorized to seize the crop grown by Bunton, who it was ascertained was farming the E.½ 4-5-16-West 4th Meridian, and that the Liens be held against the W.½ 9-5-16-west 4th Meridian for the time being received the Deputy Minister's approval.

As stated above a payment of $200.00 was obtained through the crop seizure made in that year.

Messrs. Ballachey, Burnet and Spankie wrote under date of October 23rd last, referred to the fact that those Liens were being held against the West-half 9 pending collection from Bunton and requested whether the Department was as yet in a position to clear title. They were advised of answer of the Payment received and that an endeavour was being made to effect liquidation last fall.

However, no collection was possible owing to the poor crop as per Homestead Inspector's report of November 27th last.

Mr. Cuttle was at that time requested to have an Investigation made, and Mr. Bronston of his office reported that Bunton advised him on being interviewed that at the time the Seed Grain was advanced he was associated in ownership of the land with one E. Rohde who held the same under contract from E. Rohde. Bunton puts wood $10.00, which was used in making a first payment on the land. Re - W½-9-5-16-W.4th.

Please see memoranda of the 28th and 30th ultimo, on file #18-49416 herewith.

It has been clearly established that Thomas F. Bunton, had no equity in the land above described when the advance was made, and in view of the fact that it is provided in the Act that when it is made to appear to the Minister that the land against which the lien is registered was not owned by the person agreeing to pay for the advance, and that he, the lienor, was not interested in the land under the agreement or contract for purchase, and that the owner of the land did not join in the agreement to pay for the advance, nor consent in writing to the same being given, the Minister has power to require the Registrar to cancel the lien.

I, accordingly, concur in Mr. Marchand's recommendation to the effect that the lien be removed in so far as the W½-9-5-16-W.4th, is concerned.

If you approve and return the papers I will have the necessary action taken.

Re: Thomas F. [illegible],
M.L. 3-3-10-W.4th. Mer.

Please see correspondence received from Messrs. Johnstone, Mitchie & Buckvale, dated the 4th September.

It will be noted that on the 24th July last the agents of the above Lessee, Mr. Mills, wrote a letter to this office, asking if we would accept half the debt now and the rest be would arrange for in the fall, and on the 24th inst. he was advised that this offer would be acceptable to the Department.

The Agent of Dominion Lands under date of 4th September acknowledged the receipt of $279.19 arising out of a payment made through the Sheriff, which amount was duly applied to the seed grain, fodder and relief indebtedness of the above lessee and which then left a balance outstanding of $7.85.

It will be observed from the letter of Messrs. Johnstone, Mitchie & Buckvale, they apparently instituted seizure proceedings on behalf of an Execution Creditor. It appears, therefore, that the seizure was made from the 1923 crop and the sum referred to apparently remained in the hands of the Sheriff until September 1924, of which the Department was not cognizant when the letter of acceptance was given the debtor on the 24th July.

Notwithstanding that the Crown seed grain and fodder liens rank priority to any claim of an Execution Creditor, I am of opinion that in view of the assurance given to Mr. Mills in Departmental letter of the 24th July last it would still seem equitable that from the sum of $279.19 a refund be made in favour of the Execution Creditor in the sum of $127.00, and that collection of the balance of the account await a favourable opportunity.

Gentlemen,

re Thomas F. Bunton.
S.½ 9-5-16-W.4th M.

Further to my communication of the 31st. ultimo, I would advise that the Department is not disposed to make any refund from the moneys paid through the Sheriff in the sum of $299.19 in view of the priority of the claim of the Crown.

I might state also in reaching this decision cognizance was taken of the fact that Mr. Bunton had made a promise of payment in full of the Crown liens this fall, which has failed to materialize.

Responsibility must therefore rest with you to establish your claim against any resources of Mr. Bunton as there is only a relatively small balance of approximately $8.00 now outstanding in respect of the seed grain indebtedness.

Re: Account of Thos. F. Bunton
W½ 9-5-16 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $351.75 were advanced to Thos. F. Bunton on the security of the above mentioned land. Payments of $266.05 and $299.19 were received in 1924 and 1929, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$7.89	$9.69	$17.58

Patent was issued in the name of Earnest Rohda for the W½ 9-5-16 W. 4 on the 29th of May 1919.

At the time of obtaining the advances in 1915 the lienee held no equity in the land and after representations by the registered owner, authority was issued on the 27th of July 1926, releasing the land as security for the liens. The balance of the indebtedness has since been retained against the lienee under his personal covenant.

The whereabouts of the debtor is now unknown and it is considered that there is no possibility of collection.

As the liens are no longer registered against the land and there is no further security for our advances, it is recommended that the balance of the indebtedness be cancelled.

E. J. Fream, Esq.,
Chairman, Seed Grain Adjustment Board,
EDMONTON, Alberta.

Dear Sir:-

Dominion Liens -
Re: John Drader - S.½ 9.1.12.W.4th.

In this case John Drader obtained the following advances from the Dominion Government:-

1912	Relief,	$43.90
1914	Fodder,	49.55
1915	Seed Grain,	85.80

He has made no repayments and the amount outstanding as at March 31st 1928 was $299.57.

Liens were registered against the SW¼ 9-1-12-4, patent to which had issued. This property is now vested in the Crown in the right of the Province of Alberta, following Tax Recovery Proceedings. If and when the Department of Municipal Affairs are able to sell the property, an application for adjustment of the Dominion liens will be made, when the proceeds of the sale can be divided pro rata between the Provincial claim for taxes and the indebtedness outstanding under the Dominion liens.

They are also held as a charge against SW¼ 9-1-12-4, the debtor's cancelled pre-emption entry.

James D. Ramsay of Coutts, Alberta, was granted entry for this land on 12th March, 1928, and has applied for an adjustment of the indebtedness for Seed Grain, Fodder and Relief held against it.

He is a young man, just starting to farm on his own with practically no tangible assets, but he already had a grazing lease over SE¼ 9-1-12-4 granted by the Provincial Government.

The SW¼ 9-1-12-4, in respect of which he is applying for an adjustment, is situated in the South East corner of the Province, in a region which has suffered badly from drought conditions.

Moreover it may safely be inferred that the land is not of great value from the fact that the original debtor has lost his homestead by proceedings under the Tax Recovery Act and his pre-emption as a result of cancellation proceedings.

Ramsay has paid the sum of $75.00 on account of the previous entrant's indebtedness and it is felt that the retention of any further sum against this land would seriously handicap this young farmer in his first venture, and that performance of the usual homestead duties should be sufficient to

/REV

EDMONTON, Alberta, November 30, 1928.

Re: S.½ 9-1-12-4, John Drader.

The Seed Grain and Relief Adjustment Board appointed under Order P.C. 2200, hereby recommends that the liens now registered against the S.½ 9-1-12-4, be apportioned as follows:-

To the S.W.¼ 9..... $ 75.00
To the S.E.¼ 9 - the balance of the liability.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated September 17, 1928, and states in support of the recommendation:-

1. That the land was abandoned by the debtor and that the S.E.¼ 9, his patented homestead, has reverted to the Department of Municipal Affairs under tax recovery proceedings.

2. That no application has been made by the present registered owner, and therefore that the amount of the liens to be apportioned to the S.E.¼ 9 remain as a charge against the land until such time as application is made and it is possible to submit a recommendation in connection therewith.

3. That the S.W.¼ 9-1-12-4 was the debtor's pre-emption, entry to which was cancelled, and that it has now been homesteaded by James D. Ramsey who has applied for an adjustment of the liability.

4. That the land is situated in a dry district, is of very little value, and that the payment of $75.00 already made, represents the full amount which should be charged against this quarter section.

The Board, therefore, recommends that the payment of $75.00 made by James D. Ramsey, be applied on the said liens and that it be accepted as full payment of the proportion of the liens chargeable to the S.W.¼ 9-1-12-4, and that as far as this quarter section only is concerned, the said liens be unconditionally discharged and the said James D. Ramsey relieved from any further payment in connection therewith.

The Minister of the Interior states, under date 18th November, 1912, that authority has been granted to "The Southern Alberta Land Company, Limited", under the provisions of the "Irrigation Act", to construct a reservoir in townships thirteen and fourteen, range ten, west of the fourth meridian; that the said reservoir comprises all, or part, of certain quarter-sections which are now held under homestead or pre-emption entries and that the successful operation of the said company's irrigation system requires that the land comprised in the said reservoir site shall be owned or controlled by the Company.

The Minister further states that in some cases all of the land so held under entry is required for reservoir purposes; in other cases the greater portion of the land so held is included in the entries and, in his opinion, the remaining portions are not sufficient for the support of a family by ordinary farming operations.

The Minister, therefore, recommends that "The Southern Alberta Land Company, Limited", be permitted to acquire, by purchase from the respective entrants, the land shown in the schedule appended hereto and to take quit claim deeds, or surrenders, from the said entrants for all of their right or interest in the said land, the said quit claim deeds, or surrenders, to be filed by the said company with the Minister of the

I.C.1GG.

Certified copy of a Report of the Committee of the Privy Council, approved by His Royal Highness the Governor General on the 25th January, 1913.

The Minister of the Interior states, under date 15th November, 1.12, that authority has been granted to "the Southern Alberta Land Company, Limited", under the provisions of the "Irrigation Act", to construct a reservoir in township thirteen and fourteen, range ten, west of the fourth meridian; that the said reservoir comprises all, or part, of certain quarter sections which are now held under homestead or pre-emption entries and that the successful operation of the said company's irrigation system requires that the land comprised in the said reservoir site shall be owned or controlled by the company.

The Minister further states that in some cases all of the land so held under entry is required for reservoir purposes; in other cases the greater portion of the land so held is included in the entries and, in his opinion, the remaining portions are not sufficient for the support of a family by ordinary farming operations.

The Minister, therefore, recommends that "the Southern Alberta Land Company, Limited", be permitted to acquire, by purchase from the respective entrants, the land shown in the schedule appended hereto and to take quit claim deeds, or surrenders, from the said entrants for all of their right or interest in the said land, the said quit claim deeds, or surrenders, to be filed by the said company with

The Honourable
The Minister of the Interior.

Soldiers Grant.

Referring to the application you have made for the privilege of taking up a second homestead, I am to inform you that an amendment to the Dominion Lands Act has been passed granting those soldiers, who had obtained patent or become entitled thereto on or before the 1st January, 1918, the right to take up a second homestead on the usual homesteading terms. Therefore, if you are the person who obtained patent for the S.½ 21-4-7- . 6th Mer., and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be the authority for granting you homestead entry for one vacant and available quarter-section of Dominion Lands on the usual terms and conditions, as to area, contained in the Act.

Your application was previously dealt with under the amendment made to the Dominion Lands Act in 1918, and the E.½ 2-74-13-. 6th Mer., which you selected for your second homestead, has been reserved for you pending the receipt of proof or evidence that you have become disposessed of all your patented holdings in the "Dry Area".

You are now at liberty to make second homestead entry for the E.½ 2-74-13-. 6th Mer., which will be reserved for you and you will be given ninety days within which to appear before the Agent or Sub-Agent of Dominion Lands and make formal application for homestead entry therefor. If you do not care wish to obtain this quarter-section and desire to secure some other land for your second homestead, you should immediately advise the Department in order that the land may be otherwise disposed of.

If you are indebted to this Department for seed Grain or [illegible] this letter will be [illegible] the debt [illegible] authority of this instrument.

Dear Sir,

re S.W.¼ of Sec. 6-2-14.W.4th. Oscar Hotze.

The above described land has got all the necessary improvements done to obtain the Patent and the papers in connection with the same were filled out in Lethbridge Land Office about two years ago and there are 30 acres broken on the land off which there has been raised two crops and there is also a small house on the same. Mr Oscar Hotze was the victim of an accident which prevents him doing the necessary duties himself and the Agent at Lethbridge told his father, Mr Herman Hotze of Warner that he could do the duties and obtain the title to the land. Mr Hotze wants to know if it will be necessary for him to be duly appointed as Guardian of Oscar Hotze before he can obtain the title and I would thank you to let me know this and also to give me any information that will help us to obtain this title as Mr Hotze is unable to look after the matter himself. Trusting you will be able to give me an early reply. I remain, Sir,

Yours very truly,

To The SECRETARY,
Department of the INTERIOR,
OTTAWA, Ont.

Dear Sir,- Re. S. .½ 6-2-14 West 4th M.
Your File #1249919 - OSCAR HOTZE.

A few days ago we were instructed by Mr. Herman Hotze, father of Oscar Hotze, to make application to the Court here for Letters of Guardianship & pointing Herman Hotze guardian of his son Oscar Hotze. On bringing this matter before our Judge when we had an opportunity of examining Oscar Hotze he appeared to be in full possession of all his mental faculties and the Judge naturally refused the application. We are at a loss to know why the proceedings should ever have been started.

We have before us your letter of the 30th January 1912 in regard to this matter wherein you state: "It will be necessary to file with the Department a copy of Letters of Guardianship certified by the proper Court of the Province of Alberta indicating who is the officially appointed guardian."

We will be pleased to hear from you at your earliest convenience advising us if there is anything on the records to prevent Oscar Hotze from proving up and obtaining Patent for his homestead.

Sir,

I am in receipt of your application for patent as guardian of Oscar Botze for the S.½ of Section 6, Township 2, Range 14, West of the 4th Meridian, and would state that from the evidence contained in same, it would appear that you have only completed the cultivation duties on this land during one year.

It will, therefore, be necessary for you to crop at least fifteen (15) acres of the land already broken before being entitled to patent.

When this requirement has been completed, you should execute a supplementary statement setting forth the facts.

Dear Sir:

Re: E.½ 24-1-15-W2

This Department has a relief and fodder mortgage charged against the above noted land for advances made to Edward Erickson in 1920. We are endeavouring to settle these old accounts and it would be appreciated if you could supply us with an up-to-date Abstract of the Title of this land.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Edward Erickson
[illegible]

The matter of an application for an adjustment of [illegible] outstanding against the above mentioned party is referred to [illegible] constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 fodder and relief amounting to $246.60 were advanced to Edward Erickson by the R.M. of Souris Valley No. 7, on the security of the above mentioned land. Later when no payment had been received the account was still outstanding the Federal Government was called upon to pay its share of the relief loss in accordance with the Federal - Provincial agreement of October 23rd 1919. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 246.60	$ 224.57	$ 471.17

This half section was later acquired by the R.M. of Souris Valley No. 7 by Tax enforcement on this land and same was sold to Mack's Limited.

According to an Abstract of Title dated the 31st of October 1[illegible], title to this half section stands in the name of Mack's Limited, clear of any encumbrance.

We have been advised that the recipient is deceased and that he did not own any other land in the Municipality.

As the liens are no longer registered against the land and there is no further security for the Joint Provincial and Federal account, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

Ottawa, 3rd May, 1943.

The undersigned members of the Seed Grain Advisory Board, having taken into consideration the attached report, approve the settlement outlined therein and do hereby recommend:

1. That the Joint Provincial and Federal indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

McCormack's account against Coughlin is only $35.00, being $25.00 for two trips hauling lumber from seven persons and $10.00 for putting up the shack. He cannot afford to lose that amount, and has asked me to request that you will be good enough to arrange that he may remove the shack from the leave land and take it in settlement of his claim. Since it is only a small building and of little value, and because the chances of depreciation between now and when a new entry may be made for the land, is great, I think McCormack's request is reasonable, as, if he were restricted to the ordinary custom of being paid by the new entrant what the land might be worth, then, he will probably not be able to get his money. So far as Coughlin is concerned, I understand that he has not performed any part of his duties, although he entered for the land last February, and no hardship can be done to him.

I shall be glad if you will advise me that the Local Land Agent has been instructed to authorize McCormack to remove that shack.

Dear Sir:-

S.½ of 27-5-7 West of 4th,

Clifford E. McCormack has consulted me with reference to a claim he has against Mike Coughlin for services rendered in connection with the erection of a shack on the above land.

Mr McCormack says that in the month of July last, at the request of Coughlin, he hauled lumber from Seven Persons to put up this shack on the S. W. ¼ of 27, and says that it is a long trip from Seven Persons to the land (over thirty miles), and that he would not under ordinary circumstances have done the work except for cash, only that Coughlin and he happened to have been fellow employes on the C. P. R. Coughlin promised to pay $35.00 for the work done, and to deposit at the Merchants Bank of Canada, at Medicine Hat, on a note of McCormack's. McCormack did not know until Sept. 27th that the payment had not been made, and he learned at the same time that Coughlin had been dismissed from the service of the railway company and abandoned the land. It is between three and four miles from McCormack's land (the North ½ of 4-6-7- West 4th) to the above land on account of the difficulty in getting a

Dear Sirs:

We are enclosing two Search Letters, received from the Land Titles Office in Calgary, which show Seed Grain and Relief Liens filed by your Department against this land which stands in the name of William Henry McLean of Reid Hill, Alberta.

Mr. McLean emphatically declares that he never received any Seed Grain or Relief from the Government.

We might say that sometime ago he had similar difficulty in regard to an execution filed against his lands and it turned out that this should have been William Henry McLean of Winnifred. Now the Land Titles Office, at Calgary, advise us that the Seed Grain Liens were originally made on the security of the North East quarter of 6-11-19 W4th and this land is in the Winnifred district.

Please look into the matter and advise us what should be done to have these encumbrances removed from the lands of Mr. McLean of Reid Hill.

Yours truly,

E.A.Picken,
Pro Manager.

13. State any special circumstances such as illness, accident or lack of means, which should be considered by the department in dealing with your case. Give any further information which in your opinion should be brought to the attention of the Department?

Ans.

At the time I made entry for my said homestead, the same was in a very inaccessible and unsettled district and a long distance from rail by communication. In consequence of this fact the period for entering upon said homestead was extended by the department. Settlement duties have been performed with great difficulty owing not only the difficulty in getting supplies, but to the scrubby nature of the country rendering it difficult to cultivate. I have been endeavoring to secure a steam plough for the purpose of breaking the land in that district without the necessity of grubbing out the scrub by hand, and in my return this summer it is my intention to break up large tracts of the land. During the periods of absence from my homestead since making the entry therefor, I have either had illness in my family, or have been personally ill myself necessitating my being away from my said homestead. It was my right to remain at my homestead during the winter of 1909-10 and to erect a dwelling house thereon, but owing to illness I was compelled to leave it for that winter. However, this and [illegible] have been preventing my return from returning, and am only just recovering from a serious surgical operation which I was compelled to undergo a few weeks ago. Whilst at my said homestead, I resided with my wife, [illegible] was in fact a hospital nurse for the Government [illegible] went as principal medical [illegible] to my homestead within a few years or as soon as [illegible] will allow me to do so.
